**Toronto, Canada, Jan. 20, 2015** – Casa Moderna Designs of Toronto has been awarded “Best Of Houzz” for Customer Satisfaction by [Houzz](#), the leading platform for home remodeling and design. The boutique interior design service was chosen by the more than 25 million monthly unique users that make up the Houzz community from among more than 500,000 active home building, remodeling and design industry professionals.

“Being an interior design agency that prides themselves on providing custom-tailored design solutions while still working within our client’s budget, we are so excited to receive this award,” said Design Director, Lorena Zuniga. “Each of our projects are treated with great attention to detail, implemented with great care, and finished beautifully, so receiving this recognition is a tremendous honour.”

The Best Of Houzz award is given in two categories: Design and Customer Satisfaction. Design award winners’ work was the most popular among the more than 25 million monthly users on Houzz, known as “Houzzers.” Customer Satisfaction honours are determined by a variety of factors, including the number and quality of client reviews a professional received in 2014.

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of industry marketing for Houzz. “We’re delighted to recognize **Casa Moderna Designs** among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”
